Dear Parents and Guardians,

Summer is a great time to relax and have fun. Reading during the summer helps students maintain reading skills acquired through the school year, promotes comprehension and vocabulary skills, and encourages emotional and intellectual development. Numerous studies have shown that children who are in the habit of reading or being read to daily improve academically in many subject areas.

We have named our summer reading program “**Seek Treasure in a Good Book!**” and we look for your support and encouragement.

Students entering **GRADE 3** will be required to read **THREE fiction books and THREE non-fiction books.**

Please write down titles of books on the log page. Please return during the first two weeks of school in the fall.
